City, State Zip Code	Fax

Information Requested (please be specific)

Delivery of Information

The information requested that is classified as Public Data will be released to you in a reasonable and prompt fashion. If your request involves large amounts of data, you may incur clerical charges for search and retrieval of data, along with the cost of any physical media provided to you (copies, discs, etc.). If any charges will be incurred for delivery of your request, you will be provided with a cost estimate beforehand.

Please specify how you would like the information delivered:

Signature: _____ Date: _____
