2022 Cottage Grove Supervised Playgrounds

Hamlet, Hearthside, Peter Thompson and Pinetree Valley Park will host Supervised Playground sites in 2022.

Supervised Playgrounds offer a fun and safe place for your child to be cared for during the summer. Each day will consist of arts and crafts, water activities, large and small group games, free play, special events, sports, and more!

Each day, kids should dress appropriately for activities including crafts, water play, running, jumping, and playing at the playground; this includes wearing tennis shoes. Sunscreen is not provided. Kids must bring their own lunch, snacks, beverages and utensils. There is Water Bottle Filler Station at each park.

Please notify staff of any dietary restrictions or health-related concerns. Avoid sending foods that contain nuts due to allergies; this includes sunflower seeds. If your child does not come with a lunch, we will attempt to contact you to bring one; otherwise we will provide one and a $8 lunch fee will be applied to your account. Kids must be able to use the restroom on their own. If an accident does occur, you will be notified and required to respond to them within 30 minutes.

For Safety, kids must be signed in and out by an adult each day they are registered. We hope everyone will have a great summer, however, if there are continuing discipline problems you will be notified immediately. Please contact us to discuss any defining characteristics of your child so that we may serve them better. This program may not be suitable for kids who thrive from a routine schedule. Our programs are Electronic Free; if phones or devices are brought they should be kept in their bag or in the office.

Summer Staff & Volunteers are dedicated to providing a memorable experience for your children this summer. Playground Leaders have received several hours of training which include basic first aid, emergency procedures, insight on planning events for kids, and passed a Criminal History Background Check. Volunteers are also trained during Rec Works.

Weekly Schedules

Site staff will schedule activities each week based on the theme which will be set at staff training.

Each day does have a variety of games, sports, playground time; but on these days, afternoons are highlighted:
