

Goodview Avenue Water Main Extension

Project Update

9/16/22

Project Recap 9/12 to 9/16

- The remaining water services have been installed from the water main to the property line on Goodview Avenue and Goodview Bay
 - All of the utilities have been installed in the road right of way for the project
- Curb and gutter has been installed on Goodview Court
- Disturbed irrigation systems continue to be repaired on Goodview Bay and Goodview Avenue
- Topsoil is being placed in the boulevard areas where utilities have been installed

Proposed Work Schedule for 9/19 to 9/23

- The remaining aggregate base will be placed on Goodview Court
- The contractor anticipates paving Goodview Court and the bike trail along 70th St S
 - Vehicles will not be allowed to park on the street during this process
 - Traffic will be allowed on the new street surface after installation
- Curb and gutter that was removed during construction will be replaced on Goodview Bay and Goodview Avenue
- The remaining asphalt surface will be removed to prepare for the new asphalt street on Goodview Bay and Goodview Avenue
- The west side of Goodview Avenue and the north side of Goodview Bay will be excavated to place new aggregate base in those areas
