

# **River Acres Water Main Extension**

## **Project Update**

**9/4/20**

### **Project Recap 8/31 to 9/4**

- Completed rock installation on north side of west 110<sup>th</sup> St
- Removed the remaining street surface and placed aggregate base on west 113<sup>th</sup> and west 110<sup>th</sup> to prepare for the new asphalt street to be installed next week
- Restoration crews restored several basement floors where the new service line entered the homes
- Several homes have been connected to City water

### **Proposed Work Schedule for 9/8 to 9/11**

- Install new asphalt pavement on River Acres Road, west 113<sup>th</sup> St and west 110<sup>th</sup> St on Tuesday, September 8
  - Traffic will be reduced to single lane during this process
- Crews will begin installing the remaining water main from the railroad tracks on 115<sup>th</sup> up to 113<sup>th</sup> St on Wednesday, September 9
  - Traffic will be reduced to one lane in that area
  - Temporary traffic signals will be installed to facilitate traffic flow during this process
- Some residents on Ideal Ave, east 110<sup>th</sup> St, east 113<sup>th</sup> St and 113<sup>th</sup> St Ct will be contacted to schedule the interior water connection
  - Once connected to City Water the existing well will be permanently disconnected
- Restoration crews will repair sprinkler systems as well as place black dirt and grass seed in the areas disturbed from the project
