

# **River Acres Water Main Extension**

## **Project Update**

**8/7/20**

### **Project recap 8/3 to 8/7**

- Water main has been installed on the west end of 113<sup>th</sup> St S
- Water service lines have been installed from the water main to the property line on River Acres Road and Ideal Ave
- The first layer of asphalt pavement and asphalt driveway connections have been installed on the east end of 110<sup>th</sup> St, east 113<sup>th</sup> St and 113<sup>th</sup> St Ct
- A casing pipe to connect the water main under the railroad tracks on 115<sup>th</sup> St has begun to be installed

### **Proposed Work Schedule for 8/10 to 8/14**

- The contractor will complete the casing installation under the railroad tracks on 115<sup>th</sup> St
- Restoration crews will restore basement floors where the new service line entered the homes
  - Residents will be contacted prior to coordinate access
  - The interior plumbing connection will not be completed at this time
- Water service lines will be installed from the water main to the property line on west 113<sup>th</sup> St
- Water main will be installed on 110<sup>th</sup> St from Ideal to the West
  - Installation will start towards the end of the week
  - The asphalt surface will be removed on the north side of 110<sup>th</sup> St prior to installation
